to me 

Emanuel continued to lie in Mar 2017 that IRS was holding the sales proceeds, while in fact in July 2016 he received the full sales proceeds of \$240,624.44 in his M&T bank account. See attached Emanuel's M&T Bank statement.

Hi Ben,

I apologize for the broken promises. I stopped responding to you after the money was not available when I was assured it would be. I still have not fully resolved the tax issues, however as difficult as it is for me, I wish to honor my commitment and repay the debt.

I would like to propose a payment plan beginning April 28, 2017 of \$3,000.00 monthly. If this is acceptable to you, please have your attorney draft an agreement. Once my tax issues are fully resolved I will do my best to liquidate the loan.

Regards,

Mac

Got it.

Do you intend to pay back under any plan?
